

## Member CR-A06-11

A district investigation found that while Member CR-A06-11 was employed as an elementary school counsellor, he jeopardized the safety of a student by not following the Ministry of Children and Families protocol procedures for reporting allegations of abuse and neglect, discussed matters related to sensitive issues in an inappropriate manner and conducted himself unprofessionally while working with parents and students. In April 2010, the Preliminary Investigation Sub-Committee determined to issue the Member a citation. On June 17, 2011, the Preliminary Investigation Sub-Committee approved the Consent Resolution Agreement in which the Member agreed to relinquish his College certificate of qualification. As a result, the citation was rescinded.
