b. Professional Misconduct.

c. The hearing was held November 3, 1994. The report and Recommendations of the hearing panel were presented to the Council on December 1, 1994.

d. The citation alleged that Stewart Richard Faulkner committed professional misconduct in that he was found guilty of three counts of sexual assault against three male students.

e. On or about March 31, 1992, Stewart Richard Faulkner pleaded guilty in the Court of Queen's Bench of Alberta, Judicial District of Peace River, to three counts of sexual assault occurring between August 31, 1990 and February 2, 1992. The assaults were on three male students at the school of which he was principal. For these offences Mr. Faulkner was sentenced to five years on each count to run concurrently. His actions constituted a serious breach of trust and a betrayal of both the profession and the public. f. The College cancelled Mr. Faulkner's certificate of qualification and terminated his membership. Mr. Faulkner has consented to this action.
