

## DISCIPLINE CASE SUMMARY

a. Donald Lloyd McLaren (DOB: 1939.07.22)

---

b. Professional Misconduct.

c. The hearing was held 1996.08.15. The report and recommendations of the hearing panel were presented to Council on September 26, 1996.

d. The citation alleged that the respondent, while the principal of the school at which X was a pupil and while acting as foster parent of X, did for a sexual purpose, touch directly the body of X.

e. The hearing panel determined that Donald Lloyd McLaren had pleaded guilty to and was convicted of sexual exploitation of X contrary to Section 153 of the *Criminal Code of Canada*.

The sexual exploitation of X, a fifteen year old male student, continued at frequent intervals over a ten month period. The exploitation generally consisted of simulated sexual intercourse until Donald Lloyd McLaren ejaculated. X believed that he could not tell anyone because of how his family would react and then he would have nowhere else to go.

The panel considered that this relationship constituted a serious breach of the trust placed on members of the profession and found Donald Lloyd McLaren guilty of professional misconduct.

The panel recommended that Donald Lloyd McLaren's certificate of qualification be cancelled and his membership terminated.

f. The Council of the College of Teachers cancelled Donald Lloyd McLaren's certificate of qualification and terminated his membership.
